Overview

The HPM Vivo Coaxial Plate allows seamless connection of your free-to-air TV to your antenna. Designed with 84mm oval fixing points, it ensures easy alignment and adjustment during installation. The plate features an interchangeable cover, giving you the flexibility to customise its look with a variety of colours to match your home decor or simply use the cover plate included. Combining functionality and style, it's the perfect addition to any modern space.

Quality You Can Trust

Installation

- Oval 84mm fixing points - making it easier to adjust when installing

Unique Characteristics

- Customise to suit your tastes and your interior with the coloured coverplate options (sold separately)
